

Coaches,

A few notes with regard to petitions and entries for State and regional meets:

Petitions to State – I've attached a copy of the official State petition form for your convenience. If you intend to petition to state please check your records and make sure you have sent me the proper forms.

Petitions to L9/10 Regionals - Marian Dykes must all petitions in hand not later than Wednesday April 2nd. If you know you intend to petition your athlete to Regionals I ask that you do it as early as possible **(now)**. Petitions for athletes that are injured doing the state meet must be turned in immediately to me at the meet so they can be processed. Send one copy to me and one copy to Marian Dykes.

I have attached a copy of the official level 9/10 form. (Remember there are no petitions to L8 Regionals)

I have also attached a copy of the Regional entry form. Fill a **separate** form out for each level with all possible Regional qualifiers **BEFORE** you arrive at the meet and simply cross out those gymnasts that do not qualify. **DO NOT WAIT TO FILL OUT FORMS UNTIL AFTER YOUR SESSION**. You must have a **separate gym check** for level 8 regionals made out to TAG and a check for level 9/10 Regionals made out to Huntsville Gymnastics. These entries will be expressed mailed from the meet site to the regional Chair so there will be no time for excuses. **READ THE ATTACHED INFORMATION CAREFULLY AND COME TO THE MEET PREPARED.**

Feel free as always to contact me via e-mail with questions or if you need assistance in filling out any of the above mentioned forms.
